MISCELLANEOUS

This L-39 is currently undergoing 100-hr and 400-hr inspections, minor repairs / modifications, Saphir-5 400-hr hot section inspection, and an engine change. It will be re-licensed under the Pride Maintenance Inspection Program with an anticipated time-to-licensing date of April 2007.

This will be a great, basic VFR-equipped L-39 for someone, and the possibilities for future upgrading are unlimited.
