COCKPITS

Restored to "Pride" quality, July 2003. New seat pan tool kits and head rests just installed.

MISCELLANEOUS

Advanced Flight Systems AOA-Pro installed in both cockpits. New Whelan strobes. Nose bay restored to Pride standards and modified for baggage. Canopies and ejection seats are "cold." New tires, wheels and brake assemblies July 2004. Exclusive Pride air pump, Pride accumulator gauges, Pride courtesy lights, Pride step lights, Pride stainless steps and the awesome Pride Smoke System are all installed. New mfg US fuel cells installed 07/05.

Possible Lease-back available for training.

PAINT

Painted in white Acrya-Glo (Jet-Glo) polyurethane paint (all-over) in July 2001. New stainless hardware throughout.
